New Member Referral Program

To promote membership growth, current members are encouraged to actively seek out perspective new members and help them with the sign-up process. A record will be kept (by the Membership Director and/or the Club Secretary) of the referrals made by each member. The SDCT member with the highest referral count, during the calendar year, will be rewarded by waiving the following year's SDCT membership dues.

Notes of Clarification:

The current member with the highest referral count, during the 2020 calendar year, will have \$35 towards their 2021 SDCT membership renewal waved.

A new dual membership referral will count as 2 new members for the current referring member.

MARCH 14TH MYSTERY MEAL

We had 9 Vettes and 17 members, took a 100 mile trip up and across Hwy. 79 - Park Link to Picacho Peak and back to the Red Lobster at the Oro Valley Market Place - The lunch stop was changed to a small more open venue based on the beginning throws of the COVID-19 some of our members may have gotten a little bold on the way back over Park Link!

WE PLAN TO POST THIS ON OUR WEBSITE TO MAKE IT EASY FOR MEMBERS TO CHECK ON DURING THE MONTH WHEN YOU CANT FIND THIS E-MAIL. IF YOU HAVE IDEAS AS TO WHAT SHOULD BE INCLUDED SEND TO:
