

CORVETTE CORNER

NEWS FROM THE SONORAN DESERT CORVETTES TUCSON

As you are aware, the 2021 Board of Directors elections are approaching. We are in need of a candidate for the position of Secretary. Our current Treasurer, Kurt Bassett is leaving the Board after four years of service. Our current Secretary, Donna Payton has been nominated to fill that position. As a result, the Secretary position is vacant.

You can review the specific job description by going to the Secretary position in the Policies and Procedures section of the SDCT website. You can also contact Donna Payton directly to answer any questions.

The BOD has 4 officers and 5 directors. This position is an officer position. We cannot have a board without 4 officers and we cannot have a club without a BOD. We need your help.

Serving on the Board is an honor and a truly self gratifying experience. Please give this matter your consideration. If you can answer the call, email or call me at any time.

CORVETTE NEWS

Check Out the Silver Flare, 2021 Build & Price is Live

The new 2021 Silver Flare color of Corvette made an appearance at the National Corvette Museum on Thursday for a photoshoot, showing off what those at GM refer to as a lot of 'travel' of the color. The color replaces Blade Silver and is one of two new colors for 2021. The Red Mist made its official debut on a fully painted car last month.

This week, the Corvette website also went live with its 2021 Build and Price interactive tool, giving enthusiasts the opportunity to build their dream car online with 2021 pricing.
